
Creativity Gap

By: Linnette Morel

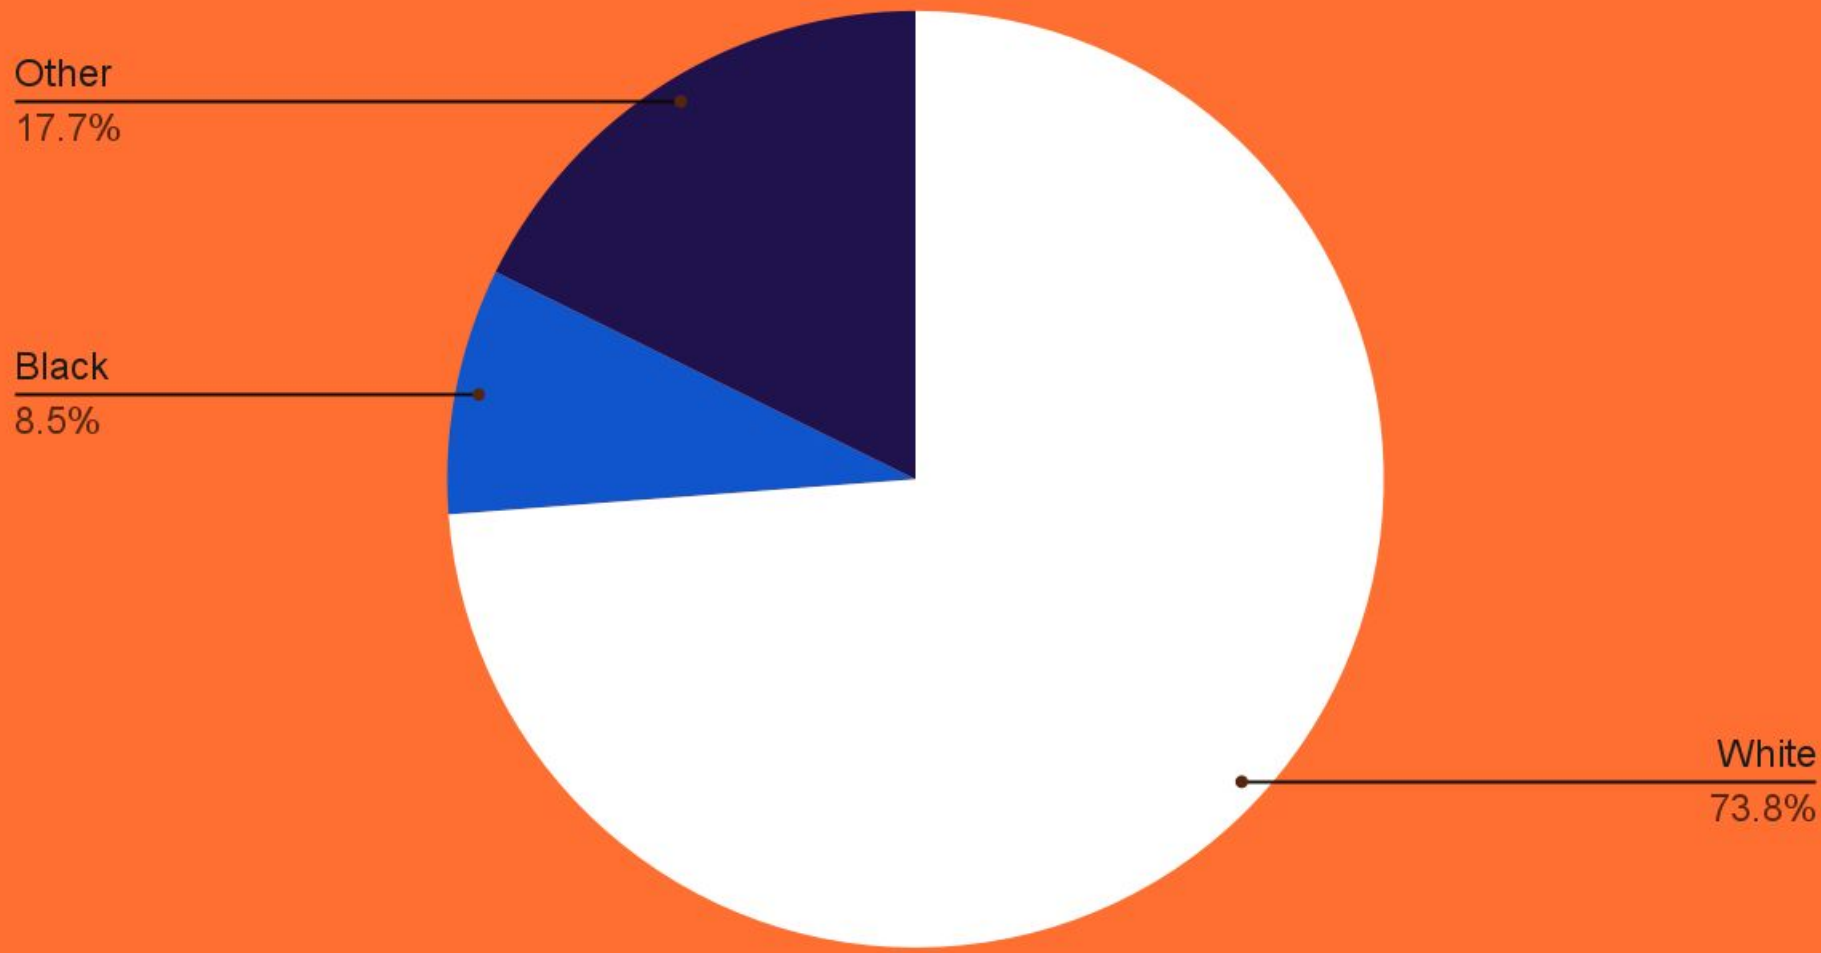

73.8%

of all creative jobs nationwide are held
by white (non-hispanic) workers.

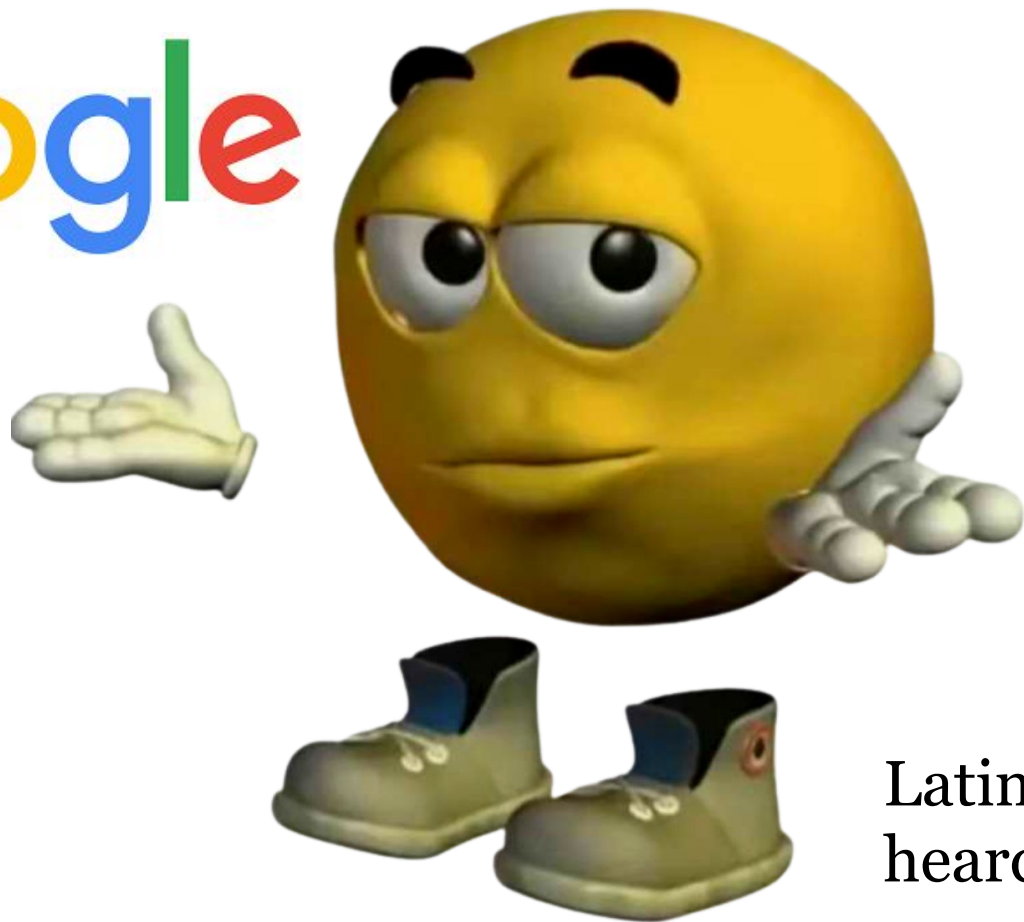

8.5%

percent of creative jobs are held by percent by African Americans. That is **one-third** less than how many black people *exist* in the United States.

Creative Jobs Nationwide Split by Race

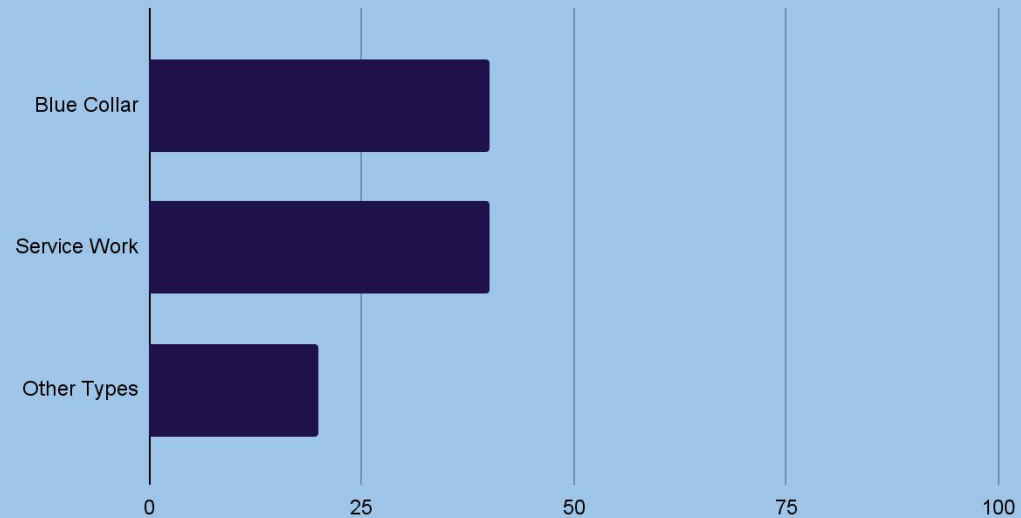

Google

Latinos? Never
heard of 'em

What Jobs Latinos Work

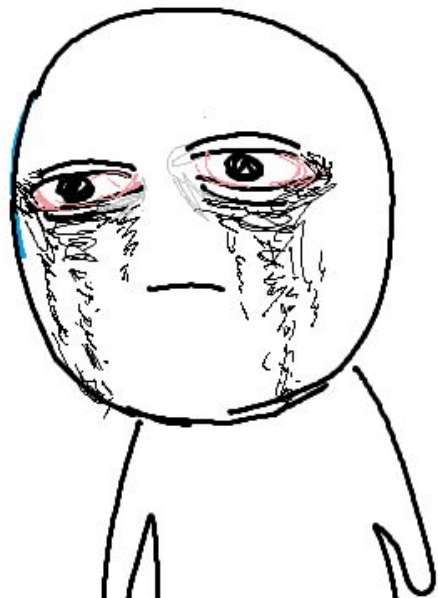

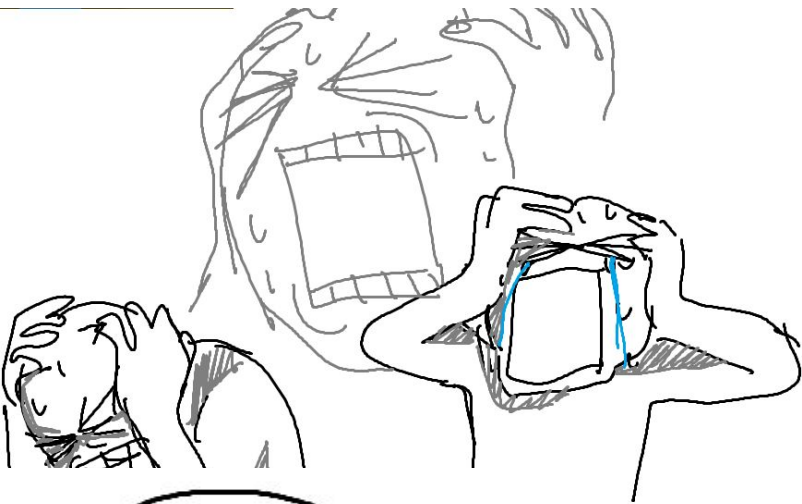

Something ain't right...
